YES

Take her number, tell her she seems normal/cool/etc. tell her you'll catch up with her later in the week.

Text her the next day and say:
Hey x, let's catch up on y day.
Meet me outside z location round (insert time here). Don't bother 'text gaming' - it's a fucking waste of time.

Tell her to go for a quick walk with you. Find a nearby seat somewhere you can sit close to her.

Once sitting, start turning the conversation slightly sexual and edgy. Increase level of touch e.g. try to play with/hold her hands, play with her hair, touch her thighs and run your hands up/down them like you would a girl you're already fucking

Did she happily kiss you back?

NO

NO

Is she VERY receptive to your touch, actively engaging in your sex talk, touching you back?

YES

Continue talking, touching her. Give her a massage. In 10 - 15 minutes time, go for makeout again

Did she happily kiss you back? |

YES

Go for the makeout

She probably wants to fuck.

Take her by the hand, tell her 'let's go get a drink', then start walking towards your house/car

Does she happily go with you to your house/car?

NO

YES

Take her home and fuck the shit out of her. Be prepared for lots of resistance and a moderate probability that you'll only end up at 2nd - 3rd base, unable to proceed further

Game over, even if you get her number, she 99% won't come back because she wasn't DTF today.

Get number, or not. Next. Restart Process
